

## **Rudragouda Channappanvar**

Assistant Professor  
Veterinary Pathobiology  
College of Veterinary Medicine  
Oklahoma State University

### **Contact Information:**

Email: [rchanna@okstate.edu](mailto:rchanna@okstate.edu)

Phone: 405-744-7224

Office: NA

### **Research Interests:**

Innate and adaptive immunity, host-pathogen interactions, and molecular virology to examine the mechanistic basis for protective and pathogenic immune responses to highly virulent respiratory virus infections in young and aged hosts.

### **Education**

2008-2012: Philosophy Ph.D., Department of Biology, Laboratory of Immunology and Infectious Diseases, Oakland University, Rochester, Michigan  
2005-2007: Veterinary M.V.Sc., Specialization: Veterinary Pathology, Division of Veterinary Pathology, Indian Veterinary Research Institute, Izatnagar, Uttar-Pradesh, India  
2000-2005: Veterinary B.S., Veterinary College Bidar, Karnataka Veterinary Animal and Fisheries Sciences University-Bidar, Karnataka, India

### **Academic Appointments:**

2018-Present: Associate Editor, BMC Infectious Diseases  
2014-Present: Adhoc Reviewer for Scientific Journals, Journal of Virology, Plos Pathogens, Emerging Infectious Diseases, Microbes and Infection, etc.  
2019-2020: Assistant Professor, Virology/Viral Immunology, University of Tennessee Health Science Center  
2017-2018: Assistant Research Scientist, Virology/Viral Immunology, University of Iowa  
2012-2017: Post-doctoral Scholar, Virology/Viral Immunology, University of Iowa  
2012: Undergraduate Instructor  
2008-2012: Graduate/Teaching Assistant, Immunobiology, Oakland University  
2008-2011: Graduate Teaching Assistant  
2010: Pathology Externship, Diagnostic Centre for Population and Animal Health, College of Veterinary Medicine, Michigan State University  
2005-2007: Junior Research Fellow: Veterinary Pathology, Indian Veterinary Research Institute  
Adhoc Grant Reviewer: American Association for the Advancement of Science, Research Competitiveness Program

### **Awards and Honors:**

2019: Early Career Faculty Travel Grant, American Association of Immunologists Conference, San Diego, CA  
2016: Postdoctoral Travel Award, American Society of Virology meeting at Virginia Tech Blacksburg, VA

2016: Trainee abstract award, American Association of Immunologists meeting at Seattle, Washington

2015: Levitt Centre for Virus Pathogenesis travel award to attend Keystone Meeting on, Viral Immunity, Breckenridge, CO

2011: International Students Scholarly Achievement Award for Excellent Academic Achievement, Oakland University.

2011: Provost Grant for Graduate Research from the Oakland University for the proposed work on the ‘Role of Substance P in Inflamm-Aging’

2010: Graduate Student Research Travel Grant to attend 97th Annual American Association of Immunologists (AAI) meeting at Baltimore, Maryland.

2010: Best Poster Award at Sigma Xi conference, Oakland University Chapter, Oakland University, Michigan

2007: ‘Young Scientist Award’ conferred by Indian Association of Veterinary Pathologists (IAVP) for the best MVSc thesis research

2005: Junior Research Fellowship and 8th rank in all India entrance exam conducted by Indian Council of Agricultural Research (ICAR) to study Masters of Veterinary Sciences (MVSc)

### **Research Support:**

- August 2018-May 2021: NIH R21, National Institute of Health/National Institute on Aging (Primary Institute), “Role of Interferon lambda in host protection during aging”, PI: Rudra Channappanavar, Awarded: \$381,000 (direct plus indirect cost)
- October 2019: NIH R01, NIH/NIAID, “Detrimental role of TLR7/TRAF6 signalling in the pathogenesis of hCoV infection.”, PI: Rudra Channappanavar

### **Selected Publications:**
